

Emotional Support Cats

Emotional support cats can transform lives. For people with disabilities and seniors, caring for an affectionate cat can give them a sense of purpose and also reduce feelings of loneliness, depression and anxiety.

We comfort people living with disabilities as well as seniors with emotional support cats while providing the foster/shelter cats with a loving home.

Apply to the Program

We help you:

- adopt a loving cat from a shelter/foster home
- set up cat caregiving support
- receive training on cat care, behavior, communication
- get ongoing cat behavior support

Make a Gift

Help us change the lives of people with disabilities and the cats they care for!
You can make a difference!
